Invitation to Creative Writers Club for all Children Year 2 and above

Dear Parents / Carers,

I hope this letter finds you well. We are excited to introduce a wonderful opportunity for your children that promotes creativity, imagination, and a love for storytelling – the Creative Writers Club!

What is the Creative Writers Club? The Creative Writers Club is a fun and engaging extracurricular activity designed to inspire and nurture the creative minds of our primary-aged children. Through a series of interactive sessions, we aim to encourage a love for writing, storytelling, and self-expression.

Activities and Benefits:

Imagination Unleashed: Your child will have the chance to explore the boundless realms of their imagination through various writing exercises and activities.

Storytelling Adventures: We'll embark on exciting storytelling adventures, encouraging children to create their own characters, plots, and worlds.

Friendship and Collaboration: The club provides a supportive environment where children can share ideas, collaborate on stories, and make new friends who share a passion for writing.

Confidence Building: Writing and sharing stories will boost your child's confidence, providing them with a sense of accomplishment and pride in their creative abilities.
