LGBT+ History Month – Dress to Impress Friday 1st March

Dear parent / carer,

February has been LGBT+ History Month. The children will learn all about the importance of this month to the LGBT+ community in assembly next week and will explore the importance of celebrating difference and respecting diversity. As a symbol of support from Sandhill, we would like children to come dressed in non-uniform next Friday (1.3.24). The clothes that they wear can be clothes that they feel express who they are as individuals or just their favourite outfit!

Thank you for your continued support,

Mr C Jordan
