## **Our Vision**

At Sandhill Primary School, we recognise the contribution of PE and sports to the health and well-being of the children. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the behaviour, concentration, attitude and academic achievement of all our children. We want to build resilience in our children so that they do not fear failure; competitive play will allow them to develop skills that can be utilised in all areas of the classroom.

## **What is the Sports Premium?**

The funding is jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children. The money can only be spent on sport and PE provision in schools.

## **Purpose of the funding**

Schools have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

The DfE has advised possible uses of the funding to include:

- ✓ Hiring specialist PE teachers or qualified sports coaches to work alongside primary teachers when teaching PE
- ✓ New or additional Change4Life sport clubs
- ✓ Paying for professional development opportunities in PE/sport
- ✓ Providing cover to release primary teachers for professional development in PE/sport
- ✓ Running sport competitions, or increasing participation in the school games
- ✓ Buying quality assured professional development modules or material for PE/sport
- ✓ Providing places for pupils on after school sport clubs and residential visits

Utilisation of the Funding by the school for the academic year 2021-22, we received funding of £18,104. This money is to be contributed to the ongoing initiatives from previous years which have proved very successful:

**Swimming Data:**

**TO BE COMPLETED WITH DATA TO BE COMPLIED**

Meeting national curriculum requirements for swimming and water safety.  N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. <b>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the NC programme of study</b>	Y6 2021 /2022
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? <b>N.B.</b> Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020. Please see note above	80%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	80%
<b>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</b>	80%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes/No
