2023/2024

# How we enter and exit the unit

This is where you will wait when dropping off and collecting your child. The gate will be locked and a member of staff will unlock the gate to let you in.

Each child has their own peg to keep their coats, bags and any other personal items on.

This is the shared Foundation Stage cloakroom. The first door as you approach school is for the children in Reception (FS2) and the second door is for the children in Nursery (FS1).

# Our toilets

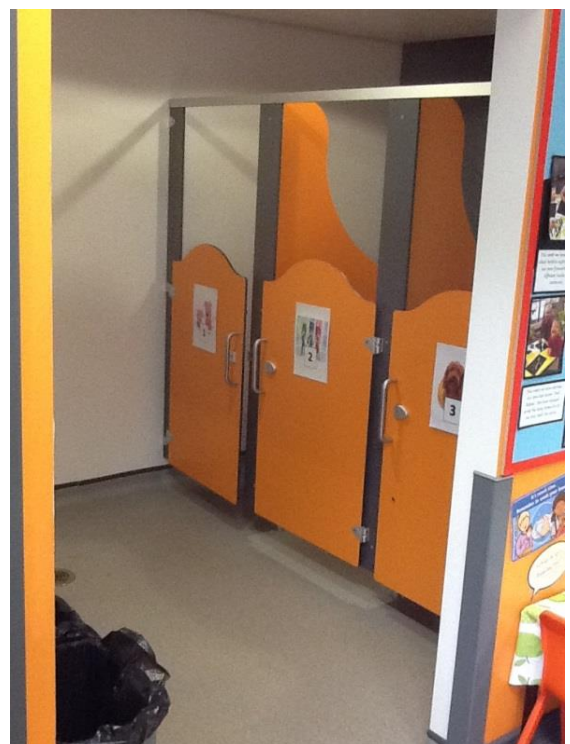

Spotty Owls and Owlets have their own separate toilets and hand washing area.

Children are encouraged to become independent with their own personal care.

The toilets and sinks are child sized and smaller than toilets higher up school.

# Where we have our Lunch

When children start FS2 and stay all day, they will go into the school hall for their dinner. This can either be a school dinner or a packed lunch.

There is always members of staff on duty in the hall to support children with getting their food and showing them where to sit and supporting them to eat their dinner.
